Re. 3237 Central Avenue, Ocean City

Dear Ken,

Would you believe... last Monday when my daughter and husband came up to visit we went down to Ocean City and it was the first time I had been there since mid-summer. That is to say, it was my first time back since you were there to take care of the few remaining items.

I want to thank you for not only taking care of these items, from caulking the interior of the windows to wrapping the inside of the shower as needed plus all the other things, but also a big thanks for taking on the project in the first place, and doing such a professional job.

Everyone in the family is very pleased, as are others who have visited and remarked how nice the house looks. And the porches, too. The front porch is especially comfortable. You did a masterful job!

And so for myself as well as for my mother and sisters, I say thank you for a job well done.

Thanks also for Don's recent roof repair.

Yours truly,

Robert R. Marshall
